Workforce Solutions That Keep You Compliant and Competitive

BSL provides highly skilled, fully compliant professionals in Qatar. We help organisations avoid legal risks and costly penalties while giving them access to the expertise they need.

HR outsourcing means delegating to a trusted partner. With BSL, outsourcing goes further in that we combine compliance assurance with quality people and strong employee care, giving you stability and continuity.

Partner with BSL to secure highly skilled, compliant professionals who will stay, perform, and help your organisation grow.

Why Choose BSL

The BSL Advantage

We place compliance and quality at the centre of every service we deliver. By looking after our people to a high standard, we achieve better retention and lower attrition.

Clients benefit from motivated professionals who stay longer, perform better, and provide stability. We are trusted partners within multiple sectors in Qatar, where reliability and high standards are essential.

- Over 700 professionals placed in Qatar to date.
- More than 400 highly skilled employees currently employed and managed.
- Proven expertise in Qatar Labour Law, WPS, immigration, sponsorship and overall mobilisation.
- Established track record in the defence sector.
- Flexible support, from single specialists to full-scale outsourced teams.
- High employee retention through our strong employee care model, reducing turnover and delivering continuity.

Our Services

Recruitment Process Outsourcing (RPO)

BSL supports organisations in sourcing and selecting highly skilled talent through a complete recruitment solution, with optional candidate vetting to ensure only the most capable professionals are presented.

- Executive search and talent mapping
- Job descriptions and competency profiling
- Screening, assessments, and interviews
- Optional background checks, reference verification, and cultural fit evaluation
- Confidential candidate presentation
- Scalable recruitment campaigns for specialist roles

Personnel Employment Outsourcing (PEO)

BSL manages employment operations with full compliance and efficiency, ensuring highly skilled professionals are supported and retained, while protecting your organisation from breaches and penalties.

- Payroll, payslips, and WPS reporting
- Attendance and KPI tracking
- Employment administration and liaison
- Onboarding and relocation
- Benefits and employee life support

End-to-End Workforce Solutions

BSL also offers a fully integrated solution that combines RPO and PEO. This provides seamless management of highly skilled professionals from recruitment through employment, reduces cost and administration, ensures compliance at every stage, and gives clients a single point of accountability and support.
